

Dear Lee's Summit Neighbor:

Lee's Summit West High School (LSWHS) Athletic Booster Club is seeking business partners to sponsor the 2021-2022 Fall, Winter and Spring sports.

We invite you to showcase your business and show your TITAN PRIDE by participating in our sponsorship opportunities. Your business will gain exposure to the Lee's Summit West community and its visitors. Please see the attached for the different options available for you to advertise by banner and/or ad in our Sports Programs. *New to our sponsorship program - ALL sports at LSW will have programs(not just football) so your business will be on over 2000 programs and be seen by many more West families than in previous years!! Banners are on display and the programs are available for all home athletic events for the entire school year. Sports programs are such an important part of the high school experience and our children need the support of business partners like you.

If you are a new sponsor, we will need artwork with your logo sent to us as a PDF, EPS or ai file. For returning sponsors, we will use your previous artwork unless otherwise notified. All artwork is to be sent to lswtitanboosterclub@gmail.com. If customized artwork is needed, a minimal charge of \$50 will be added, but the artwork is yours to keep.

For inclusion in any of our Fall sports programs, we MUST receive your order form, artwork, and payment by Monday, July 15th.

For your convenience, payment can now be made on our website at www.lswtitanboosterclub.com. Click the "Donate" button.

Please complete the attached order form and return to your booster club representative or email to Kim Dooley at kdooley@visitkc.com or Heather Russell at therussells03@gmail.com.

Thank you for supporting your LSW TITANS!!

Sincerely,
The Lee's Summit West Booster Club
